

Spring 2024

# Monthly MARC Memo

Friendly neighborhood monthly reminders to keep us on the MARC!

Hey, MARC Neighbors! Seeing some blooms & leaves sprouting? You know what that means? Springtime is almost upon us! We get to move forward from our drearier days and start looking towards a season of growth in our neighborhood in all sorts of ways! Here are your friendly reminders (and helpful links!) on what you need to know for this coming spring!

**We are all ears....**We want to hear from each and every one of you! Our annual MARC survey has gone out to all homeowners recently and we absolutely value your opinions and are eager for your feedback. Please take a moment to fill out our quick survey either online or by sending it back to our property management company. It is an easy survey to let us know your thoughts, ideas and opinions on hot button issues such as parking and speeding solutions, upcoming projects for playground and landscape reburbing, and how the HOA can do the best job possible to meet community needs! Feel free to fill it out anonymously. If you choose to add your contact information, we will be able to enter you in a drawing for a chance to win a \$50 Home Depot gift card to say thanks for your support! Please submit your survey by **March 31st**. Thank you!!

**Vroom, vroom....**Just another gentle reminder about your vehicle registration! If you haven't submitted your information already, please use the link below to submit it electronically or print out a PDF to email/mail to our property management company. We hear you. We know it's not everyone's cup of tea, but, as of now, it is the most equitable way to enforce our current parking rules whether you sidle up to the curb or not :) We really appreciate you trusting us to monitor parking and road/pedestrian safety in this way! **LINK:** <https://www.meadowsatrockcreek.com/vehicle-registration.html>

**How egg-citing....**The MARC social committee invites you to join in the neighborly fun with our annual easter egg and scavenger hunt! Easter eggs for the little kiddos and a scavenger hunt for the big kids! Everyone is welcome. **Saturday, March 23rd at 11 a.m. at the Basketball Court Park**. Also, if you would like to volunteer to help, please visit the SignUpGenius link below. We hop, we mean hope, to see you all there! **LINK:** <https://m.signupgenius.com/#!/showSignUp/60B044DADAD2CA46-meadows2>

**Winter gone, time for lawn!...**Start thinking about reviving that winter-weary lawn and landscaping! It will soon be time to mow, weed and edge. Aerating, thatching & overseeding may be needed if you have bare dirt patches. April is a great month to reseed and repair. Shrubbery needs to be alive, maintained and trimmed. Moss on your house, fence, sidewalk, or driveway needs to take a hike. Mow strips need to be upkept, too!
